---

## OBJECTIVE

I am a front-end web developer based in Lebanon with a passion for web design. I love designing modern interfaces and developing user-friendly websites. I am open to discuss new projects, creative ideas or opportunities.

## EDUCATION

- Rafik Hariri University / Bachelor Degree in Computer Science Sept 2019 – April 2022
- Safir High School / Lebanese Bacc. in Life Science 2018

## RELATED COURSES

- Web Programming:** HTML, CSS, JAVASCRIPT
- Design and Social Impact:** Adobe XD, Collaboration with graphic designers
- Software Engineering:** SDLC stages, UML diagrams, Pert/Gantt/CPM charts, human-computer interaction

## SKILLS

- Computer Skills:** Microsoft Office, Adobe XD, Figma, Visual Studio, Visual Studio Code, Github
- Languages:** HTML, CSS, Bootstrap, Tailwind CSS, Javascript, React JS, Next JS
- Communication & Interpersonal skills:** Group work, time management
- Critical thinking:** Solving problems

## Work Experience

- Front-end Web Developer/Freelancer June 2022 – February 2023  
Ideas Adds (Remote)
  - Trained on a simple project where an admin adds information of an employee, and it gets stored in a table only shown for the admin.
  - Designed the user interface for “Payroll” website using Adobe XD.
  - Developed the front-end part with a team using Next JS, React JS and Tailwind CSS.

## Hobbies

- Photography
- Reading

## Languages

- Arabic (Native Language)
- English (Second Language)
